POLICE DEPARTMENT ACTIVITIES FOR 1978

As you are aware there were three heads of this department in the year 1978, Robert Fifield, Stanley Lewandowski, and myself. The following are the statistics as I have compiled them:

- 17 Motor Vehicle Accidents; 1 Fatal, 3 Personal Injury, 13 Minor Damage
- 2 Burglaries
- 3 Assaults
- 10 Reported Acts of Criminal Mischief
- 12 Domestic Complaints
- 20 Disturbance Complaints (Otter Brook Damn)

The arrest statistics are as follows for the year 1978:

- 3 Driving While Intoxicated
- 15 Motor Vehicle Arrests; 10 Speed on Radar, 2 Solid Line, 1 Reckless, 2 Unregistered
- 4 Theft (These for other departments, Swanzey and Keene PD)
- 2 Burglary

Significant changes have taken place in the department since September 1978. In crime prevention - a vacation house check program has begun for those who wish their residence checked while they are away. They only need call 352-1291 to report this. A free check of any Roxbury residence by the department is available to check for possible easy entry by burglary suspects. In Mutual Aid - rapport with the NH State Police, Marlboro Police, and the swearing of several Keene Police Officers as Special Officers in the Town insure proper and professional coverage at all times. In equipment - a siren, new cruiser lighting system, and other radio equipment received on federal grants decrease response time to complaints. I hope to continue this type of service in the future.

Respectfully submitted;

Charles H. Forsaith III

REPORT OF THE PLANNING BOARD

During the past year the Planning Board approved one two-lot subdivision and one four-lot subdivision. With the help of the Southwestern New Hampshire Regional Planning Commission, the Board started working on a Master Plan for Roxbury. As a part of this work a community attitude survey was done. A summary of this survey follows. The Board will continue to work to develop a Master Plan during the coming year.

SUMMARY OF ROXBURY COMMUNITY ATTITUDE SURVEY

In August 1978, the Roxbury Planning Board distributed a community attitude questionnaire to the citizens of Roxbury. The purpose of the questionnaire was to obtain the statistical information needed for the development of the community plan. Most importantly, it provided the planning board an idea of what is really on the townspeople's minds and what they want Roxbury to be like in the near future.

A. BACKGROUND INFORMATION

Length of Residency.

5% have lived in Roxbury less than one year, 10% between one to four years, 25% between five to nine years, another 25% between ten to nineteen years, and 35% have lived there for more than twenty years.

Occupation.

The majority of respondents are in three or four categories: 21% in business or retailing, 17% are retired, 14% are employed as housewives, 10% are in manufacturing. The remaining 38% are split into teacher, student, artist, professional, town employee, agriculture and building trades.

B. GENERAL

Rural atmosphere was ranked highest by 13, (or 82%) of the respondents. Uncrowded living conditions was second with 8 (53%) votes. This preference is reinforced by other responses to this question. Altogether, rural atmosphere received eighteen (86%)

votes from the twenty-one respondents who answered this question, and uncrowded living conditions received sixteen (84%) out of nineteen responses for this question.

How would you like to see Roxbury's population change?

Fourteen (74%) felt population growth should remain the same. The remaining 26% felt there should be at least a slight (2-3 families per year) growth rate.

Designating different area of Town for different uses.

Eighteen people, (or 86%) favored designating different areas of town for different uses. Three respondents did not.

Additional steps to control growth.

Eighteen respondents (or 86%) favored taking additional steps to control growth. Planning and zoning were most commonly identified as the appropriate methods to control growth.

C. RESIDENTIAL

What type of housing should be built in Roxbury?

The most popular types of dwellings were the single-family units on large parcels of land. Twelve, (or 79%) favored single-family units on five or more acres. Twelve (or 63%) favored the single-family units on two to five-acre lots, while seven (37%) favored the single-family units on one-acre or less lots. Farms were also popular, with nine, (47%).

Do you support zoning?

There was overwhelming support for zoning. Commercial and retail, industrial, and commercial excavation all received 95%. Residential received 91% support.

D. COMMERCIAL AND INDUSTRIAL

What development should be encouraged?

Farms were listed as most desirable by nineteen (86%), home occupations, fourteen (64%). Building trades, small manufacturing, light industry and professional and business offices received a few favorable votes. The remaining kinds of development received no votes.

E. OPEN SPACE LAND USE

Need for additional recreational facilities.

Twelve (80%) respondents felt there was not a need for additional recreational facilities. Three, who did fee a need for additional recreational facilities, mentioned a ballfield, cross-country skiing, and hiking trails.

AUDITORS REPORT

This is to certify that I have examined the books of Roxbury for the year ending December 31, 1978.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Road Agent, Selectmen and Trustee of Trust Funds (including an examination of the securities). I find that the books and records of the town reflect its true financial condition as of December 31, 1978 to the best of my knowledge and belief.

I find that the Town Clerk, Town Treasurer, Tax Collector, Trustee of Trust Funds, Road Agent and Constable are bonded by surety companies as required by law. Uncollected taxes reported by the Tax Collector have been verified by written notice.

I would like to thank the town officers for their cooperation and assistance during the period of the audit.

Respectfully submitted,

Oliver Derby
Town Auditor

REPORT OF THE BOARD OF ADJUSTMENT

REPORT OF THE SCHOOL BOARD MEMBER

The Monadnock Regional School District annual meeting was held at the Monadnock Regional School on Saturday, March 18, 1978 at 1:00. The proposed budget of \$3,116,236 was raised and appropriated for the school year of 1978-1979. Roxbury's share was about 2.07 per cent of the district's total expenses.

This year, the Town of Roxbury has thirty-seven pupils attending schools in the Monadnock Regional School District. Eighteen of them are in grades one through six; nineteen of them are in grades seven through twelve.

The School Board has been working on plans for additions to Mount Caesar and to the Monadnock Regional High School. At Mount Caesar, help for students in special education classes is currently being carried out in hallways and closets. Higher enrollment in the building has made toilet facilities inadequate; one class is located on the further half of the cafeteria, having to continue with classwork while other "sittings" are engaged in their lunch hour.

The Monadnock Regional High School enrolled 926 students in 1962. Today, 1200 pupils attend. In spite of four "sittings", the cafeteria is crowded during lunch time, as are the classrooms, hallways, and toilet facilities. Except during lunch hour, the cafeteria serves as a study hall--again, under crowded conditions.

Respectfully submitted,

David C. Brown
School Board Member
